Saint Patrick's Day

On Friday the 17th March the SRC organised some fun activities for all students to participate in and learn about a significant Irish holiday.

Students wore items of green clothing and shamrocks that were made by Mrs Jones. Every student who wore green received a ticket in a random prize draw. The two lucky students who won were Willum Gordon and Allee Thompson.

The winner of the green lollies guessing competition was Riley Leys. I think Brother Luke was very happy about that! The colouring competition was won by

Fiona Self (Year 6), Jacob Le Man (Year2) and Mercedes Rowan (Kindy). Congratulations to these students for the quality entries that they submitted.

A big thank you to Mrs Austin for cooking 40 delicious green cupcakes topped with beautiful green piped icing and a big chocolate gold coin on each one. We are very fortunate to have such a generous member of our community supporting our school.

Harmony Day

Harmony Day has become a significant day of celebration in our school calendar. This year the key message was *EVERYBODY BELONGS*. We were very fortunate to welcome 7 Peel High students into our school for the day. Josh, Barney, Emerson, Billie-Jo, Jada, Lucy and Lilly joined our rotational group workshops and were great role models for our students. They were also very helpful assisting with craft activities, cooking and even doing the washing up!

We also welcomed Mr Hobbs from the Tamworth Historical Society. Mr Hobbs presented very interesting historical information about the Nundle / Woolomin district.

It was lovely to have Mr Hobbs share a delicious Chinese lunch with us consisting of spring rolls, fried rice, beef noodles and mango puddings. This feast was planned by Emily Milo and cooked by the students with the assistance of the Peel High students.

The Thunderbolts literacy group presented their individual research projects on Ancient China. All students presented with confidence and most impressively included the references they had used for their research.

Another highlight of the day was the Chinese Theatre workshops taught by Mr Povea-Gonzalez. Mr Povea-Gonzalez is a very talented drama teacher, actor and performer who teaches at Peel High School.

Thank you to Mrs Povea-Roworth and The Thunderbolts for co-ordinating Harmony Day celebrations as part of their *DRAGON KEEPER* novel study.

Show Pavilion

If you visit the Tamworth Show this coming weekend, be sure to check out the amazing artwork in the school section on display in the pavilion.

We have submitted 58 outstanding pieces of art that students in K-6 have created during visual art lessons.

The primary students have studied famous artists such as McCubbin, Whitely and Drysdale while student in K-2 have explored a variety of textures to create artworks representing their focus on Foods in the Wild such as bogong moths, witchetty grubs and bush honey.
