Success on the Sporting Fields

This week, many of our students attended presentation ceremonies from the weekend sporting teams they have played in over the winter season. The end of a season is a time to reflect on team achievements but also the achievement each individual had made in both the development of skills and personal values. Staff often tell students that some of the greatest achievements in their lives will be achieved when they work together with others to achieve a common goal. Tyler Summer's experienced team success when Kootingal Kit Kats under 12 team won the 2017 Minor Premiership. He was also acknowledged with the trophy for Most Improved player for his determination to give his personal best. Allee Thompson had an awesome season and was rewarded with the Coaches Award for her effort and skill in the Kootingal Kougars under 8's. Soccer runs hot in the Thompson family with brother Bryce receiving the Most Consistent player in the under 10's Kootingal / Nemingha Kougars. Tyler Woodard, Talia Summers and Connor Jones also further developed their skills and knowledge of soccer playing in Kootingal Kougars teams. Rylan Byrne had a magic season playing rugby league for the Dungowan Cowboys and was very proud of his trophy. I have been told that there are still presentation days ahead for James Sampson who has had an excellent season on the field playing rugby league for Kootingal Roosters. We are very proud of all our sport stars. We encourage students to think about enrolling in summer sports such as swimming, cricket and Oz Tag.

It has been wonderful having such delightful children join our school for some special activities on Wednesdays. Next term, we look forward to seeing some of these children return to start their journey preparing for Kindergarten in 2018.

This is an incredibly special time and we look forward to working together with parents and grandparents supporting children transition to formal learning and school routines. I know I speak on behalf of all teachers at our school when I say; it is truly a pleasure and honour teaching the children at Woolomin Public School.

Please see further information in this newsletter or contact either Kellie or Leisa to enrol in the Term 4 School Readiness Program.

Makayla and Amba enjoyed learning with Year 1 students, Mayci and Holly

Amba already shows leadership skills by not being afraid to come up to the front of the morning assembly to talk to the school.

Emma enjoyed performing with percussion instruments in music lessons.

It has been fantastic to have Will Adams in our school. He has a great personality and fun character, I am sure staff, and students alike will eagerly await his return.
