Bunnings Animal Nursery and Krispy Kreme Doughnut Fundraiser

The Bunning's Animal Nursery was a huge success. There was a great community vibe happening on the day with lots of sunshine, free entertainment and food for all the family. Visitors to the Woolomin Public School Animal Nursery loved patting the piglets, baby goats, rabbits, guinea pigs, duck and chooks.

Special thanks to Ross and Dianna Greenwood, Nina Douglas and Mr McMahon for loaning animals for display. A big thank you must also go to Mr Rod Sparks, for donating hay to make the display look awesome.

Thank you to Jo and Mark Meredith, Steff McMahon and Ben Woodard, Nina Douglas, Natalie Austin and son Anthony for coordinating the nursery. It was absolutely fantastic, well run and very profitable. I was also very proud of the students who worked at the Nursery. They were very well behaved and helpful.

Well done to the P&C for coordinating a very successful doughnut drive. They sold over 140 dozen doughnuts!

Our appreciation and thanks also goes to P&C President for coordinating a fantastic fundraiser, Ben Woodard for driving to Sydney to pick up the Krispy Kreme doughnuts, Steff McMahon for selling donuts in front of the Target store, Nina Douglas, Natalie Austin and Mishalee Stewart for selling and coordinating doughnut deliveries.

Another big thank you must go to our wonderful community people who supported this fundraiser by buying doughnuts and to Kylie and Shane for taking orders at the shop. THANK YOU!

SRC Father's Day Raffle and Store

The Father's Day raffle and store that was co-ordinated by SRC was a big success. Thank you to everyone who bought tickets and to Natalie Austin for donating a delicious cake and gifts to raffle.

First Prize: Homemade chocolate fondant iced 'Cap' cake- This was won by Riley Leys

Second Prize: Dad's cap, thermal travel mug and a greatest dad calendar. This was won by the Aitken Family.

Third Prize: Picnic blanket and two stubby holders. This was won by Allee Thompson

Lochie Gordon and Maiya Douglas were very proud of their lovely artworks that they made for Father's Day.

Food Technology

This week in Food Technology Lessons, K-2 students learnt some amazing facts about bananas and further enhanced their knowledge of healthy food choices. They made a quick, healthy alternative to traditional biscuits by using two ingredients- oats and mashed bananas.

Maiya Douglas and Lochie Gordon making the banana mash.

They then added a special treat of some choc chips to make a delicious yet healthy snack. The choc chips can be substituted for better options such as cranberries or sultanas etc. The biscuits were then baked in the oven for 10 minutes.

Allee Thompson and Jacob LeMan were all smiles during cooking lessons.

SRC Firewood Fundraiser

Thanks to the hard work of Mr Woodard, Mr Smith and Mr McMahon the SRC raised \$1680 from firewood sales. Mr Woodard, Mr Smith and Mr McMahon spent many weekends splitting, loading and delivering wood to local families to raise this money.

The wood originally came from some trees we had to remove from the school the previous year. It was a very expensive venture so it has been great to recoup some of the expense.

We greatly appreciated their time and energy and think that they are absolutely wonderful!

Thank you to the local families who supported this initiative by buying wood from Woolomin Public School. Your support was also appreciated. All the wood has now been sold.

The money raised has been used to build a fantastic timber screen in the Platypus Garden and to frame 25 pieces of artwork to donate to the cancer treatment rooms on behalf of small schools throughout the region. The artwork has been done by primary students including our own and will be used to decorate the walls of the cancer treatment rooms for patients who need to wait for services.
