Bronze Award:

Matilda Bonner, Jackson Hoad, Amba Graham & Emma Adams

Merit Award:
Mayci Oliver

Tingle Factor Award:
Holly Meredith:
Being an excellent role model during Active after School Sports.

Musica Viva

On Monday, students in years K-4 travelled into the Tamworth Conservatorium with Ms Nagle, Miss Burford and Mrs Smith, to see Taikoz, a Japanese drumming group.

This was an exciting and energetic show and a fantastic opportunity to share with our other small schools in the region.

Mayci playing the Shime-Daiko on stage.

SRC Fundraiser

The SRC will be selling Sipahh straws to raise money for their two major projects this year.

Sipahh straws are a flavoured straw that you use with milk. As you drink the milk through the straw, the milk becomes flavoured.

Each box contains 10 flavoured straws and will cost \$4 per box.

Attached to this newsletter is an order form with each flavour available for families to purchase.

Creature

On Wednesday 23rd May, students and staff travelled into the TREC to see a performance of "Creatures", an adaptation of an Australian classic book called "Dot and the kangaroo".

The performance was fantastic, combining lights, projected images, theatre performance and some acrobatics.

Students waiting eagerly for the show to start.

A snap shot from the incredible performance.

Year 7 2019

Expressions of interest forms that were sent home on the 16th March need to be returned to school asap.

We would appreciate students returning their high school preference for both public and private schooling. This allows us to organise any recommendations needed and make contact with Principals if required.

Canberra

The Year 5&6 Small Schools' Canberra excursion is fast approaching with students departing next Monday 4th June at 7.00am from the Tamworth Railway Station via McPherson's coaches.

Students will travel to Canberra where they will have the opportunity to visit a number of attractions including seeing the Embassies, Electoral Education Centre, Parliament House, National Capital Planning Centre, GEO science Australia, Telstra Tower, Royal Mint, Australian High Court, National Museum of Australia, Australian War Museum, AIS tour and Questacon.

This excursion has been subsidised by the P&C's hard work and a rebate from PACER, and has been planned to support the Stage 3 HSIE outcomes and learning about social systems.

Please ensure all deposits are paid and remaining balance is fixed up by the end of the week.

Names of Clothing

Please remember to label all items of clothing as our lost property is currently over-flowing with uniform items left in the playground. The majority of these are student's new school jumpers or hats. Unfortunately, we have no way of returning items to students if they do not have names.

If you have nothing at home to label items with, please send students to the office to see Mrs Hughes and she can supply a permanent marker to write students names on the tags.

Zone Cross Country

Last Friday 25/05/18, Grace, Allee, Tyler W, James, Eva, Tyler S and Talia, participated in the Zone cross Country trials at Nundle Golf Course, hosted by Nundle PS. All our students had amazing runs and should be incredibly proud of their efforts.

Tyler S and Allee competing in their races

Astronomy Camp and Aeronautical & Velocity Challenge

This Thursday, the students will be staying at school for the Astronomy Camp Thursday night, ready for an exciting day Friday, with the Aeronautical and Velocity Challenge.

Friday will see students arriving from Currabubula PS, Dungowan PS, Somerton PS, Nundle PS, Duri PS, Attunga PS and Peel High School to participate in Science, Technology, Engineering and Mathematical activities aimed at building rockets which will then be launched on the school oval.

Donations

We are looking for some donations of some used and new items for use in our new sensory table. This table will support students' sensory and fine motor skills development and will be used in free play during break times, as well as in the classroom linked to daily learning.

Items we are looking for include:

- 1mx1m offcuts of carpet/synthetic grass/rubber/foam - grey, brown, green and blue preferably. Any texture.
- Realistic-looking toys that are waterproof and durable including: dinosaurs, Australian animals, farm animals/fences/shed/tractor, mythical animals, sea animals, large bugs Etc.,
- Pine cones, acorns, or other similar flora.
- Shells and starfish
- Realistic fake fruit and vegetables

Any other ideas are welcome

If you'd like to design a sensory table experience for us, please let Ms Nagle know. We'd love to offer our students a wide range of experiences using this resource.

Thanks in advance for any support you can give.

Mini Canteen

Ham and Cheese toasties are available Monday to Thursday for \$2.50. Toasties will not be available Friday due to SRC Special Lunch.

Sipahh straws and a glass of milk, will be available as part of our ongoing lunch menu for \$1.50 Monday - Friday.

Due to the Aeronautical and Velocity Challenge, there will be no SRC special lunch this Friday 01/06/18. Students will share in a sausage sizzle put on by the school.

Specials for the remainder of this term are:

Week 6: Pizza

Week 7: Mini Sausage Rolls

Week 8: Tacos

Week 9: Hot Dogs

Week 10: Steak Sandwiches
